Stewardship..... Reflection Jesus healed ten lepers in last week's Gospel. Only one (10%) came back to say thank you. I, too, have received many blessings from the Lord - indeed, all I am and all I have is gift! How and how often have I remembered to thank Him? Living Stewardship . We are grateful this week for all stewards in our parish who remember what is truly important in life and give witness by serving others out of gratitude to our generous God.

Where have all the children gone?:

Enrollment in our Sunday school of religion is way down this year. If your child is not registered, please see Mr. Gorman after the 9:15 am mass on Sunday and complete the registration. If you know of any other reason why we are low, Please let us know. We would appreciate it.

World Mission Sunday... Instituted in 1926 by Pope Pius XI at the request of the Society for the Propagation of the Faith, calls us each year in the spirit of the Church's unity and universality, to a renewed commitment to everyone's responsibility for the spread of the Gospel message.

The Lord calls us to go beyond ourselves and to share with others the blessings we have received, beginning with the gift of faith, which cannot be considered as a private privilege but must be seen as a gift to be shared with those who have not yet received it. Such activity will benefit faith itself since faith is strengthened when it is shared. How many hearts have been comforted by missionaries! How many hands they have held; how many tears they have wiped away; how much love has been poured out in hidden, humble and selfless service!
