Strength against temptation...

As believers, we know that temptation comes our way in our own gardens of delight as well as the deserts of our lives. As Lent begins, our attention is drawn to that temptation within each of us to become like God--we want control, power, and answers to all of life's difficult questions. As communities of faith, we are given this season of repentance so that we can join our hearts with others on the difficult journey of conversion. We look to God and to one another for strength against temptation.
