Do you ever feel that life is drudgery? Have you ever been ill and wondered about your place on the earth or in the lives of the people you love? Do you sometimes feel rejected or misunderstood? On this Sunday, we reflect on the clarity, consolation, and healing we find in faith. Job muses about the meaning of life; Saint Paul relies on faith as he responds to critics; the sick rush to Jesus, and he shows us God's tender care for those who are ailing and outcast. Not only does he respond to those who come to him; he goes where they are. God seeks us out in our moments of weakness. God will always be with us in such real experiences of human life.
